A Note From Our General Manager...

Dear Scene readers and WRUW listeners,

Greetings from 91.1 WRUW-FM, the best radio station in Cleveland! My name is Genevieve Mathieson, and I am excited to be the new General Manager of WRUW. Some of you may know me from my radio show, the Exploding Plastic Inevitable. For those of you who don't, I've been at WRUW for three years, and my show is a freeform music show - one of the many great things you can find only on college radio.

As the new General Manager of 91.1 WRUW-FM, it is my pleasure to bring you the Fall 2000 program guide. You might not know it from our recent weather, but autumn is right around the corner. Here in Cleveland, that means crisp blue skies and gorgeous leaves, rain, cold weather, warm weather, and maybe snow. One of the few things you can still depend on during the unpredictable Cleveland autumn is the high quality of 91.1 WRUW-FM programming. We broadcast 24 hours a day, 365 days a year from the campus of Case Western Reserve University.

This fall, we have a great line-up of shows in store, with both old favorites and newcomers. Our fabulous weeknight lineup looks much the same, with Off Blue, Rhythmajick, and Down by the Cuyahoga, to name a few. The Cousins Wilson - Dave and Jimmie - are going to be doing their usual great jobs, and Wade, as always, will be doing his survey of the best the radio station has to offer. New shows like Stone Cold Bikini, A Crooked Mile, and Pretty in Pink are sprinkled throughout the schedule, and are well worth listening to!

Throughout the next year, I will strive to make the station the best it can be for our listeners. We hope to earn that title of "Best Radio Station" in Cleveland for years to come! With the impending power increase, (Yes, I know you keep hearing about it. It is still happening!) we will broadcast the same great music to a much larger audience. As the power increase continues to move forward, we intend to improve community awareness of the radio station, provide more live music events and make our listeners proud!

If you have questions about WRUW, you can always call the radio station at 216-368-2208, or you can check out our website at http://radio.cwru.edu. We are, as always, grateful for your support. Keep on listening!

Sincerely,

Genevieve Mathieson
WRUW-FM General Manager
